

## 2019 NT Electoral Boundary Redistribution

---

### Comments on suggested boundary changes

“Public comments on suggestions for changes to the NT Legislative Assembly boundaries closed today, NT Electoral Commissioner, Mr Iain Loganathan said.

“The consultation period began with a call for suggestions on Wednesday 27 February and the public had 30 days to make a submission. A total of 16 submissions were received and the public had a further 14 days to make comments on those submissions, Mr Loganathan said.

“The Redistribution Committee considers all submissions and prepares a first proposed redistribution of the Northern Territory into divisions which is scheduled for release next month,” Mr Loganathan said.

The committee then invites objections on the first proposed redistribution with the public having 30 days in which to object to the proposed boundaries. Objections are to be made in writing to the Redistribution Committee.

All submissions and comments are available on the NT Electoral Commission’s website and in hardcopy from the NTEC Darwin office.

Further information on the redistribution is available at [ntec.nt.gov.au](http://ntec.nt.gov.au).
