

# BIG PLAYGROUND PROMPT CARD

## Vote for me because:

- There will be two new big playgrounds: one for upper primary and one for lower primary.
- Students could play on them during recess, lunch and after school.
- The playgrounds would be fully shaded to be safe and cool during the day.
- The playgrounds would be so big they could easily fit a lot kids.

# SPORTS CENTRE PROMPT CARD

## Vote for me because:

- The sports centre will be indoors and air-conditioned so it can be used for PE lessons on really hot or rainy days.
- It can be used for many different sports like basketball, netball, soccer, volleyball, gymnastics, and others.
- It can be used during recess and lunch.
- The centre can be used for after school activities as well.

# ICT UPGRADE PROMPT CARD

## Vote for me because:

- The ICT upgrade would include having enough Ipads to have one for every student and teacher in our school.
- It would include really fast internet.
- We could do more interesting things in technology lessons like designing games and coding.
- Students could have electronic portfolios to show off their work.

# SCHOOL FARM PROMPT CARD

## **Vote for me because:**

- We could grow our own food to use for cooking lessons or to sell at markets.
- We could have animals as school pets and learn to look after them.
- The farm could include injured native wildlife that students look after.
- We would have special lessons about the farm as part of our weekly timetable.
