Subject: RE: LG Representation Committee

Hi all,

The Council are unable to reach a consensus. If the committee requires a Council decision, this would need to be formally put to Council at the meeting on 7 February. If the Committee requires a formal Council decision, please write to me formally to request such a decision.

I would also like to remind the committee that the Council is vehemently opposed to the introduction of wards and we are extremely disappointed in the manner with which the committee has handled the consultation.

Regards,
Athina Pascoe-Bell
