ASSISTED VOTING SERVICES

Postal voting

If you are unable to vote at a voting centre you can apply for a postal vote. Postal voting is available for all elections in the Northern Territory.

Disability access

Most voting centres will have disability access available. The type of disability access available at a voting centre will be listed on our website.

Assistance voting

If you need help when voting at a voting centre our staff can help you. Staff can explain how to fill in a ballot paper, they can also complete the ballot paper to your instructions and place the ballot paper in the ballot box. If you have a mobility issues and can not access a voting centre, staff can assist you to vote from your car.
